

Directions

Step 1: Cut the pictures out.

Step 2: Switch objects with people who have different colored paper. Make your room pretty!

Step 3: Label all the pictures with the object name and the correct gender (die, der, das)

Step 4: Arrange the pictures how you would like. Make sure you can use all your prepositions when describing your room. You do not need to use all the pictures provided.

Step 5: Glue your artwork in your notebook.

Step 6: Write sentences in your notebook. You must use all of your prepositions once (*an, auf, hinter, in, neben, über, unter, vor, zwischen*). You will have nine sentences. When writing your sentences remember *emeremen!*

Step 7: Underline the preposition in one color and the article in another color.
