

Dear Parent/Guardian,

Your student is currently learning objects in the house. Their assignment is to label 15 objects in the house. They may be in any room and duplicated from room to room if you think they still did a good job. They must leave the labels up for one week. If they have completed this assignment successfully please sign and send this piece of paper back to school with your student.

Danke,

Frau Denise Bauer

My child has labeled 15 objects in the house and left the signs up for at least a week.
